Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Ok to film at the Sherman Oaks Castle.
- May not block walkway, driveway or parking lot.
- Must maintain access to the front walkway and golf courses at all times.
- Must allow maintenance and other staff to perform their daily duties.
- OK to lay cables over walkways & grassy areas. Must have crossovers over all cables in any public areas.
- OK to lay carpet down over existing carpet on Course 2. May not use any glue or other adhesive.
- Must pay Batting Cages & Arcade directly for use of their areas.
- Must adhere to any restrictions or guidelines given to company by batting cage staff or management.
- OK to use Course 2.
- OK to access Course 2 via pedestrian access gate from Course 1.
- Catering truck must be parked off site. OK to have food walked on to facility.

PARKING LOT

- Must maintain access to parking lot at all times.
- OK to use parking spaces along the entire south wall.
- OK to use parking spaces from the handicap spaces toward the wall.
- OK to use parking spaces from the flagpole toward the dumpsters.
- OK to use parking spaces from the flagpole toward Sepulveda.
- OK to place pop-ups or other equipment on the grassy area near the flagpole.

NOT A PERMIT

- Must leave entire center portion & corner between the cages & dumpsters open to patrons.
- Must maintain access to equipment trailer in the corner of the parking lot.
- OK to park trucks close to access gate for unloading. All trucks and other equipment must be parked in their approved spaces by 10am once the facility opens to the public.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines**.** The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between parK
- patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed.

NOT A PERMIT

The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.

- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
